1. BACKGROUND

1.1 INTRODUCTION

LALJI FOUNDATION is the foundation that deals with many activities. The purpose of this foundation is to help peoples in different groups especially those with special needs also this foundation already have Registration with the Government at the District level and Regional level. For this time, the foundation is based on the Education, Health, and Economic sectors.

1.2. AIM

LALJI FOUNDATION decides to empower fifty(50) Women with small businesses such as Mama Ntilie, fish and drink seller of the ferry fish market at Kivukoni Dar es Salaam by giving them capital each lady gets 200,000/= shillings.

2. OBJECTIVES TO EMPOWER WOMEN WITH SMALL BUSINESSES

- To empower women in order to achieve a good standard of living in food, shelter and Health
- To increase the source of income
- To increase capital in order for them to stand themselves and help others through generations.

Meeting (Women with small businesses)

Lalji Foundation organized a meeting with women before the event to inform them about the project we are going to undertake also the business officer was there to provide training about business in the meeting.

The main sponsor was LALJI FOUNDATION which donated **10,000,000/= shillings** money to empower the Ladies with small businesses by giving them capital of 200,000/= shillings for each woman. LALJI FOUNDATION prepared a special event and invited Government Leaders. The official guest was the Regional commissioner of Dar es Salaam. This event was conducted on 12th July 2023 in Dar es Salaam.

Albert Chalamila Regional Commissioner of Dar es Salaam emphasized by telling the women that they should use their money wisely and avoid borrowing money for no reason.

3. IDENTIFICATION METHODS

The methods used to identify the stakeholder are:

- Observation
- Focus Group Meetings/Discussions
- Formal meetings
- One-to-one interviews

3.1 IDENTIFICATION METHODS FOR STAKEHOLDERS.

Methods of stakeholder	Application of methodology
Observation	a way of gathering data by watching behavior, and events or noting physical characteristics in their natural setting
Focus Group Meetings/ Discussions	The aim of a focus group is to bring together stakeholders with the same interests or common characteristics into a meeting to discuss specific topics or project components in a focused manner. For example, focus group methods may be used to explore issues that are relevant to specific groups
Formal meetings	These meetings are focused on identifying and discussing specific stakeholder concerns and disclosing project information. Participation in these meetings will be influenced by the issues under consideration and should include adequate representation of women as well as other marginalized.
One –on one interview	The interviews will aim to give chance to individuals to air concerns about the project. Such meetings should be available to women as well as vulnerable and vulnerable individuals in a manner that would facilitate their attendance

4. THE NUMBER OF WOMEN EMPOWERED BY THE LALJI FOUNDATION
