# 1. BACKGROUND

## 1.1 INTRODUCTION

### LALJI FOUNDATION

Lalji Foundation is a Non-Government Organization. The foundation, founded by the Lalji family of Tanzania, is a testament to our commitment to give back to the community and enhance the quality of life for all. With a deep-rooted belief in the power of collective progress, we dedicate ourselves to the development of an inclusive human society. Our Foundation aims to help people in different groups, especially those with special needs.

The primary aim of the Foundation is to work towards the development of an inclusive human society and improve the quality of their lives by empowering people to be self-sufficient economically using education, skills development and financial assistance.

The foundation is based on the Education, Health, Economic and orphanage sectors. Lalji Foundation decided to support Children, youth and adults who need to be fitted with Prosthetics and Orthotics at CCBRT hospital.

## 2. OBJECTIVES

- To help them continue in good health and continue doing other activities
- To provide the patients with increased function such as walking or grasping.
- To provide patients with orthoses that restore function
- To make them feel like other people.

### MEETING (HEAD OF THE DEPARTMENT)

Lalji Foundation organised a meeting with the Head of the Department of Prosthetics and Orthotics at CCBRT Hospital to plan for the preparation of handing over the auxiliary limbs and artificial legs.

## 3. SPONSORSHIP

The main sponsor was LALJI FOUNDATION which collected money of **15,045,000/=** million shillings to support Children, youth and adults who need to be fitted with Prosthetics and Orthotics at CCBRT hospital. The patients were eleven in number.

This is the second time the Lalji Foundation has supported patients who need to be fitted with prosthetics and orthotics at CCBRT Hospital.

**The Head of the Prosthetics Unit CCBRT Dr Ruth Onesmo** has thanked the Lalji Foundation for providing the support and called on another stakeholder to have the courage to provide support to people with special needs.

This event was conducted on **16<sup>th</sup> May 2024** in Dar es Salaam CCBRT Hospital.

**The Secretary of the Lalji Foundation Fatema Lalji** has said that this is the second time the institution has handed over prosthetic limbs to patients and stressed that the exercise will continue to reach more people.

She has noted that the goal is to touch people with various needs in the community, where she has also asked stakeholders and Tanzania, in general, to come out in large numbers to support these efforts

One of the patients thanked the Lalji Foundation for the support they received for the orthotics and prosthetic legs.

**PARTNERSHIP**

CCBRT never works alone; they always work in partnership. They are keen to initiate partnerships with organizations that share our ambition to ensure **Lives** are **changed** in our community. They engage with diverse partners in different ways including partnerships to implement a program, long-term strategic partnerships, and working with individuals such as consultants and researchers.

**5. GENERAL CONCERNS AND SUGGESTION**

- CCBRT Hospital proposes six months for monitoring and evaluation to know the development of children, youth and adults.
- Hospital leaders asked other institutions to provide help because the patients still needed contributions to service

**6. MONITORING AND EVALUATION.**

Monitoring and evaluation will be carried out by the Lalji Foundation in collaboration with the Hospital department responsible for the coordination, Monitoring and Evaluation work.
