1. BACKGROUND

1.1 INTRODUCTION

LALJI FOUNDATION

Lalji Foundation is a Non-Government Organization registered and operating in Tanzania with registration number **00NGO/R/4407**. The foundation, founded by the Lalji family of Tanzania, is a testament to our commitment to give back to the community and enhance the quality of life for all. With a deep-rooted belief in the power of collective progress, we dedicate ourselves to the development of an inclusive human society. Our Foundation aims to help people in different groups, especially those with special needs.

The primary aim of the Foundation is to work towards the development of an inclusive human society and improve the quality of their lives by empowering people to be self-sufficient economically using education, skills development and financial assistance.

The Lalji Foundation is deeply committed to transforming lives through impactful initiatives in education, healthcare, economic empowerment, orphans support and other vital social projects. As part of this mission, the Foundation has extended its support to **children and adults in need of prosthetics and orthotics** at CCBRT Hospital, reflecting its commitment to fostering mobility, independence, and inclusivity.

2. OBJECTIVES

- To help them continue in good health and continue doing other activities
- To provide the patients with increased function of mobility.
- To provide patients with orthoses that restore function
- To give them confidence and a sense of inclusivity in the community.

3. SPONSORSHIP

Lalji Foundation is the main sponsor behind this transformative initiative with CCBRT Hospital. With this donation of **15,466,500/= TZS**, the Lalji Foundation has managed to provide prosthetic legs to individuals in need, empowering them to regain mobility and independence. This contribution reflects their unwavering commitment to improving lives and fostering inclusivity in our community.

This is the third time the Lalji Foundation has supported patients with prosthetics and orthotics at CCBRT Hospital.

This handover event took place on **18th December 2024** at **CCBRT Hospital** in Dar es Salaam, Dr. Ruth Onesmo, Head of the Prosthetic Leg Department at CCBRT, expressed heartfelt gratitude to the Lalji Foundation. She stated, “This generous contribution will transform countless lives, giving hope and mobility to those who need it most.”

From LALJI FOUNDATION the event was attended by FATEMA LALJI (HON SECRETARY), FATMA MUSSA (DIRECTOR), JUDITH KAHATANO (PROJECTS COORDINATOR) and other Lalji family members.

Fatema Lalji, Hon Secretary of the Lalji Foundation, highlighted that this is the **third time** the Foundation has provided prosthetic limbs to patients at CCBRT and reaffirmed their commitment to continuing this impactful exercise to reach even more people.

She emphasized, “Our goal is to touch the lives of people with various needs in the community, and we call upon other stakeholders and Tanzanians at large to join us in supporting these efforts.”

All the beneficiaries of this initiative extended their heartfelt appreciation to the Lalji Foundation for the orthotics and prosthetic legs, describing the profound impact this support will have on their lives.

CCBRT HOSPITAL	PROJECT

5. GENERAL CONCERNS AND SUGGESTION

- Hospital leaders have urged other institutions and stakeholders to step forward and provide additional assistance. Many patients still require contributions to access and sustain essential services, highlighting the ongoing need for collective community support.

6. MEDIA COVERAGE

- Television IBN TV

7. MONITORING AND EVALUATION.

CCBRT Hospital has proposed implementing a six-month monitoring and evaluation program to assess the progress and development of the children, youth, and adults who have received prosthetic legs. Aims to ensure the long-term effectiveness of the prosthetics limbs.

8. CONCLUSION AND RECOMMENDATION

Lalji Foundation should continue to collaborate with CCBRT Hospital to enable more patients to benefit from these lives changing prosthetics limbs
